

Crosswater Club 2016 Membership Program

GOLF

Crosswater Club Members have access to 63 holes of unparalleled golf, including our Crosswater, Meadows, Woodlands, and Caldera Links course.

Crosswater is a traditional exclusively bent grass heathland style 7,683-yard golf course, with T-1 bent grass greens. The course crosses the Little Deschutes River seven times and five tees on each hole balance risks against rewards and challenge golfers of all levels. The newly renovated practice facility includes the addition of target greens on the driving range and improvements to the putting & chipping greens. Built in 1995, this Audubon-certified course is situated on 600 scenic acres of woodlands and carefully preserved wetlands. Crosswater is the recipient of 26 prestigious national awards, including Golf Digest's "Top 100 courses in America" and "Top 100 Courses You Can Play" from Golf Magazine. The Crosswater Clubhouse is a classic Northwest lodge, and houses The Grille restaurant and lounge, The Turn snack bar, golf shop, day locker facilities and exclusive Resident Member Club and locker rooms.

Crosswater is a privately owned and operated golf and social club facility located in Central Oregon, just 15 miles South of Bend, adjacent to Sunriver, Oregon.
