

# Three Unforgettable Days in Sunriver & Central Oregon

If you only have three days to spend with us at Sunriver Resort, here are a few of the activities we recommend during your stay. Take in the sights at Sunriver and get out and explore the beauty of Central Oregon!

## Day 1

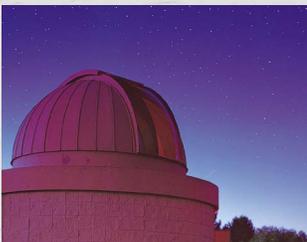

**AFTERNOON** Time to hit the ground running... or peddling. With over 35 miles of paved bike paths throughout Sunriver, one of the best ways to explore the area is on two wheels. Stop by the Sunriver Bike Barn to rent bikes for the whole family! While on your bike path tour, swing by the Lodge to grab a snack from The Merchant Trader Café, or play a quick round on the nine-hole Meadow's Putting Course. Or if you're up for a full round, you can take on the Meadows or Woodlands 18-hole golf courses. You bring the friendly competition; we'll supply the putters, clubs and golf balls.

Coming in Summer 2015! The Cove at Sunriver Resort. Featuring a zero entry pool, private cabanas, a nature discovery area, a water feature, a water slide and stunning views of Mt. Bachelor".

**EVENING** Plan a laidback and casual dinner at The Owl's Nest, a family-friendly restaurant located in the Lodge. Enjoy a flight of award-winning Northwest microbrews and mouth-watering pub food, featuring the popular Owl's Nest Burger and delicious Fish n' Chips. Come cheer on your favorite sports teams or simply take in the spectacular views of the meadow and beautiful Central Oregon scenery from the expansive outdoor, heated deck. A perfect place to sit back and settle in to your Sunriver vacation.

After dinner, enjoy an evening of wonder and exploration at the Oregon Observatory at Sunriver. Staff and volunteers provide a relaxed, fun, and educational atmosphere for viewing the starry night skies. Sunriver's elevation, pitch-dark surroundings, and crystal clear air make it perfect for stargazing. At the Oregon Observatory, you won't be lining up just for one quick peek. They have dozens of telescopes set up for your enjoyment so you can gaze at galaxies, discover deep space stars, and look upon the rings of Saturn. With the largest public access viewing facility in the country, there is plenty of space for everyone to enjoy the amazing spectacle.

## Day 2

**MORNING** Indulge in a fresh Northwest breakfast or brunch on the deck of the Meadows at The Lodge. Watch the early morning fog lift off the beautiful golf greens, or try to spy one of the many wildlife visitors through the large bay windows. Enjoy your meal while taking in the scenic views of Mt. Bachelor and the Sunriver property. As you are finishing up breakfast, be sure to ask the friendly Meadows staff to prepare box lunches for you and your family to enjoy during your Central Oregon adventures today.

Make your way five minutes North of Sunriver and visit the Lava Lands Visitor Center, the interpretive hub of Newberry National Volcanic Monument. Friendly rangers will help plan your excursion using their new 3D topographic map. Visit the state of the art interpretive exhibit, view a variety of films scheduled daily, walk through amazing geological lava displays, picnic under the pines, attend a ranger talk, and then top it all off with a drive to the top of Lava Butte for a spectacular view of Central Oregon.
