SPA DIRECTOR: Lynne Hite

DESCRIPTION: For centuries, people have enjoyed a land forged by volcanoes, blessed by the sun and shadowed by lofty peaks. Sage Springs Club and Spa at Sunriver Resort in Central Oregon captures the spirit of this high desert region with its ambiance, signature services, and indigenous products—a private world dedicated to health, fitness, and wellbeing. Sage Springs Club & Spa is “Where Vitality Springs to Life.”

A 36,000-square-foot destination spa, Sage Springs Club & Spa, features eight treatment rooms, including a Wet Room with Viche Shower, Relaxation Room, and a Mani/Pedi area. Additionally, the club includes seven tennis courts (three indoor; 4 outdoor), as well as a state-of-the-art conditioning center and movement studio. Within the men’s and women’s locker room facilities are whirlpools unlike any other. The saline hot tubs are nestled in a backdrop that gives guests the feeling of being outdoors, with a mountain-scape mural and fiber optics in the ceiling that emulate the night sky creating a very relaxing and serene environment.

TREATMENTS:

Sage Springs Club and Spa offers a full range of treatments featuring Massage Therapy, Facial Rejuvenation as well as Body treatments from two categories: Renewal and Mind & Body. Renewal treatments are designed to achieve a specific result such as anti-aging, exfoliation, and deep tissue work. Mind & Body treatments aim to relieve stress and provide an escape using Ayurvedic traditions to target overall wellness.

Massage Therapy—A centuries old tradition of relaxation, Sage Springs Club and Spa offers a variety of massage options created to meet a specific need or interest including, Mind & Body Riverside Relaxer (Swedish) and the Renewing Deschutes Deep-Tissue massage.

Facials—Free-radicals from pollution, and other stresses, bombard our skin everyday. Sage Springs Club and Spa's facial treatments utilize aromatherapy, herbal formulas and state-of-the-art science to protect and replenish. On the Mind & Body side the Goddess Facial uses all organic and natural ISUN products for the ultimate in skin repair and balance. From the Renewal selection of facial treatments the Wellspring Essential Facial revitalizes skin with a personalized mask that offers anti-aging benefits and hydration.

Body Treatments—From the Oregon Hazelnut Scrub, made locally, (Renewal) to the Sunriver Nourishing Body Wrap (Mind & Body), Sage Springs Club and Spa has an extensive list of body treatments to detoxify, relax and refresh. Each treatment incorporates nutrients from earth, fruit and minerals, to restore balance and energy, which are beneficial to overall health and wellbeing.

SIGNATURE TREATMENTS:

Gemstone Energy Massage (Mind & Body)—Traditionally it is taught that some plants, minerals, and colors can offer direct relief from imbalances in the body. This massage incorporates ISUN gemstone massage oils, which offer a selection of balancing therapies to choose from. The gemstone oils are a distinctive blend of pure-synergy herbs and base oils, combined with gemstone and color properties. These special oils are created to nourish and restore balance for a deeper experience of well-being. Oils available include:

Rose Quartz — nourishing and uplifting
Azurite — relaxing and meditative
Amethyst — purifying and calming

Eclat Cocoon Deep-Hydration Facial (Mind & Body)—A truly indulgent experience, this deeply penetrating facial includes a warm-stone facial massage. Quenching thirsty skin, this ultra hydrating treatment leaves skin feeling supple and soothed.

Detoxifying Sea Escape (Renewal)—This renewing journey begins with a full-body exfoliation utilizing finely milled basalt sea salts combined with essential body oils that rejuvenate tired skin. Customized with choice of Kawaenriched marine clay or freshly harvested brown and red seaweed, this aromatic full-body mask soothes and rejuvenates tired muscles or hydrates and tones the silhouette.

Seaweed — Soft, smooth and supple skin

Marine Clay — Relieves sore muscles and arthritis pain

PRODUCTS:

Sage Springs Club & Spa uses the following product lines:

Yonka, ISUN Somme, Epionce, Body Coffee, Dani, Spa Rituals, Angelina Organic Skincare, Jane Iredale Mineral Cosmetics

ISUN and the Angelina Organic Skincare were specifically chosen to assist Sage Springs Club & Spa in providing services that are natural and organic when possible. More and more consumers are choosing the services that are both good for the environment and good for their bodies. When products are selected to be used in the spa, strict guidelines are used to ensure that Sage Springs Club & Spa is aligned with environmentally conscious companies—everything from product ingredients to shipping, to commitments on sustainable business practices.
